WHAT WE ARE

- ▶ Pleasant Valley Preschool (PVP) is a **small family and community-oriented Cooperative Preschool**.
- ▶ There are two teachers and one parent helper in the classroom each day so we have a **small adult to child ratio (1 to 5)**.
- ▶ When your child is here, they are fortunate to have the school all to themselves.
- ▶ PVP has a spacious setup, which allows for centers and areas for free play, music and movement, circle time, a reading nook, dramatic play, and art. In addition we have a fenced outdoor playground.
